Valse allegro

126. Dark Eyes

Dark en-tranc-ing eyes, — Dark as Rus-sian skies, — Tell me why you crave —

— Me to be your slave. — Tho' my heart re-bels, — Still your

charm com-pels — I can-not say "No" — Led on by your glow. — I go

like a slave, — To your dark eyes brave — And I am once more —

— by the Vol-ga shore — Cry-ing out my love — To the

stars a-bove Giv-ing all my sighs — to your great dark eyes. —
