

Happy Together

The Turtles

Men: Imagine me and you, I do
I think about you day and night
It's only right
To think about the girl you love
And hold her tight
So happy together

Women: If I should call you up, invest a dime
And you say you belong to me
And ease my mind
Imagine how the world could be
So very fine
So happy together

Refrain: **I can't see me lovin' nobody but you**
For all my life!
When you're with me, baby, the skies will be blue
For all my life!

All: Me and you, and you and me
No matter how they tossed the dice
It had to be
The only one for me is you
And you for me
So happy together

Refrain:

All: Me and you, and you and me
No matter how they tossed the dice
It had to be
The only one for me is you
And you for me

Men: So happy together

Women: So happy together

All: So happy to—ge—ther!
