

# Let It Snow

**All:** Oh the weather outside is frightful,  
But the fire is so delightful,  
And since we've no place to go,  
Let It Snow! Let It Snow! Let It Snow!

**Men:** It doesn't show signs of stopping,  
And I've bought some corn for popping,  
The lights are turned way down low,  
Let It Snow! Let It Snow! Let It Snow!

**Women:** When we finally kiss goodnight,  
How I'll hate going out in the storm!  
But if you'll really hold me tight,  
All the way home I'll be warm.

**All:** The fire is slowly dying,  
And, my dear, we're still good-bying,  
But as long as you love me so,  
Let It Snow! Let It Snow! Let It Snow!

**All:** Let It Snow! — — Let It Snow! — — Let — It — Snow!
