

# Love Changes Everything

Andrew Lloyd-Webber, Charles Hart, Don Black

**Men:** Love, love changes everything  
Hands and faces, earth and sky  
**Women:** Love, love changes everything  
How you live and how you die  
**Men:** Love, can make the summer fly  
**Women:** Or a night seem like a lifetime  
**All:** Yes love, love changes everything  
Now I tremble at your name  
Nothing in the world will ever be the same

**Women:** Love, love changes everything  
Days are longer, words mean more  
Love, love changes everything  
Pain is deeper than before  
**Men:** Love will turn your world around  
And that world will last forever  
**All:** Yes love, love changes everything  
Brings you glory, brings you shame  
Nothing in the world will ever be the same

**All:** Off into the world we go  
Planning futures, shaping years  
Love bursts in and suddenly all our wisdom disappears  
Love makes fools of everyone  
All the rules we made are broken  
Yes love, love changes everyone  
Live or perish in its flame  
Love will never never let you be the —
