

Moon River

*Johnny Mercer and Henry Mancini
from 1961's "Breakfast at Tiffany's"*

Men: Moon River, wider than a mile,
I'm crossing you in style some day.
Women: Oh, dream maker, you heart breaker,
Wherever you're going I'm going your way.

Men: Two drifters off to see the world.
There's such a lot of world to see.
Women: We're after the same rainbow's end--
All: Waiting 'round the bend,
My huckleberry friend,
Moon River and me.

<piano verse>

All: Two drifters off to see the world.
There's such a lot of world to see.
We're after the same rainbow's end--
Waiting 'round the bend,
My huckleberry friend,
Moon River and me.
