

# Only for You (Elizabethan Serenade)

*Ronald Binge / Charles Skarbek / Timothy Bartel Smit / Philippe Antoine Francois Marietti*

**Men:** If I searched a hundred years  
And I shed a million tears  
If I promised a world  
Of dreams and much more  
It seems I would do it only for you  
My heart, my hands  
I'd give to the sands  
But only for you

**Women:** If I crossed the ocean deep  
Or the mountains high I leaped  
If I'd sung to the stars above  
Of our precious love  
I would do it only for you  
My heart, my hands  
I'd give to the sands  
But only for you

**All:** Only?. For you  
Only?. For you  
Only?. For you

**All:** If I searched a hundred years  
And I shed a million tears  
If I promised a world  
Of dreams and much more  
It seems I would do it only for you  
My heart, my hands  
I'd give to the sands  
But only for you

**All:** Only?. For you  
Only?. For you  
Only?. For you
