

# Send me the Pillow

*Johnny Tillotson*

All: Send me the pillow that you dream on  
Don't you know that I still care for you?  
Send me the pillow that you dream on  
So darling, I can dream on it, too

All: Each night while I'm sleeping oh, so lonely  
I'll share your love in dreams that once were true  
Send me the pillow that you dream on  
So darling, I can dream on it, too

All: Send me the pillow that you dream on  
Maybe time will let our dreams come true  
Send me the pillow that you dream on  
So darling, I can dream on it, too

All: I've waited so long for you to write me  
But just a memory's all that's left of you  
Send me the pillow that you dream on  
So darling, I can dream on it, too  
So I can dream on it, too
