

Silver Chord Rising

Colette Hamner

(Tune: *Bad Moon Rising*, *Creedence Clearwater Revival*)

All: We are the Silver Chord Choir!
We sing out for fun and for joy.
Come and join and light a fire.
Exercise your mind and lungs!

Chorus: **Sing out, sweet and proud,**
Sing out strong and loud,
Come and lend your voice today.
Sing out, sweet and proud,
Sing out strong and loud,
Sing with Silver Chords today.

All: Come help make sounds of song and laughter.
Come meet new people, come to play.
Don't fear trying something new.
It's another brand new day
